Hi Captains,

The summer is in full swing, so many of you are on vacation, enjoying the most beautiful summer days with your families at the seaside.

We have received lots of emails asking us to put off the registration deadline for one more month because a number of team members are on holiday.

Following requests from the captains who are assembling the teams, we have decided to extend the registration period till September 1st!

Come on, guys, we need you in Russia!

ACCOMMODATION

We would like to let you know that the Radisson Rosa Khutor hotel 5* is fully booked. We still have available rooms at the Park Inn by Radisson Rosa Khutor 4*, but they are being sold out quickly. Those who are still in doubt, we advise you to hurry up.

After you have completed information regarding your team members, you need to click the 'Close Registration' button and contact me at president@gfl2019.com.

After closing the registration, you will no longer be able to add new members to the team, but you will be still able to edit data already entered, as well as to upload a passport and personal picture. By closing the registration, you confirm that you are ready to be invoiced for the first payment. Then you will get the invoice with bank details.

If your team is ready to pay the whole amount of the tournament fee at once, please let our Financial Department know.

It will be the Captains' responsibility to assign rooms to their team members; this option is already available at our Registration Portal, though it is currently running in test mode.

At the moment we have participants registered with the system who have opted for DBL accommodation; however, some of them do not have a roommate, so we would like you to contact us at accommodation@gfl2019.com and provide the following information:

1. who your team member will be staying with (in case you have some suggestions from members of different teams wishing to stay together),

or

2. if you cannot find a match for them, we will help you solve this issue.

Our Accommodation Department is ready to respond to your requests.

VISA SUPPORT

If you have not uploaded passport copies yet, we advise you to hurry up so that our Accommodation Department together with the hotels could send you an invitation letter for your visa application.

I would like to remind you once again that we will send you an invitation letter for your visa application after we have received your first payment and have a passport copy.

If you or your team member wants to come to Saint-Petersburg for the pre-GFL 2019 in October or spend some time in Moscow on the way to Sochi, we insistently advise you to register in advance so that you 3 invitation letters to apply for a multiple entry visa to Russia. However, please bear in mind that the decision on the number of entries for your visa remains at the consulate's discretion.

You can receive a detailed consultation on visa issues at visaconsult@gfl2019.com.

MOSCOW TRIP

Details on registration for the Moscow trip will be sent to you shortly.

TRANSPORTATION

We are continuing negotiations with S7 Airlines to secure the most attractive air travel prices for our participants and guests. We are looking forward to receiving their proposal shortly.

WORLD OF GFL

We would like to post info about GFL teams on our Facebook and Instagram accounts.

Please email to media@gfl2019.com 2-3 pics/videos of your team, a logo (if any) and some info about your team in brief (how long has your team been with GFL world, has it ever won, some cool facts about your team).

So, we'd like to make the spirit of GFL spread all over the world.

Our OC team thanks all captains for your support in organizing GFL 2019! Together, we are making another GFL event happen.

Best regards,
Sergey Polozov
